Grill-O-Sheet

On a sunny day there's nothing nicer than a barbecue, but sometimes it can turn out to be more trouble than it's worth between a dirty grill and small items dropping through the mesh.

The Grill-O-Sheet makes barbecuing simple. It provides a cooking surface that's always clean. And with it, you can cook everything on the barbecue. No matter how small the Grill-O-Mate means nothing will fall through. Vegetables, shrimp and prawns are all a quick and easy.
