

Tidi™

"It's all in the name..."

The

Handbag Organiser

The Handbag Organiser is designed to maximise wardrobe space while also helping to protect handbags

The Large transparent pockets are each capable of holding one large handbag or two small handbags or clutch bags. This product has the capacity to hold up to 16 bags at a time. The transparent pockets allow the user to view all her handbags clearly and easily.

This product eliminates clutter in the wardrobe while allowing all handbags to be seen clearly and easily accessible.
