The Collapsible

Jumbo Car Bin

Messy Kids in the back seat! Sales Reps on the road! Golf shoes! Shopping Bags! Wet suits!

Just a few of the many uses for this clever, collapsible and waterproof product. The Jumbo Car Bin can be hung from the headrest, stood on the floor or put into the boot of the car, making it as versatile as it is useful. Its double waterproof lining allows for safe storage of water related products

We came up with this idea after hearing that 22% of the litter found on our roads is as a result of people littering from their cars. So join us today in our battle to eliminate this ugly statistic.

Product dimensions: H 320mm x D 240mm
Capacity: 14 litres
Box Dimensions: H 260mm x W 260mm x D 35mm
Carton dimensions: H 190mm x W 530mm x D 265mm
